Dear Ms Palomo:

Janard, Inc. is an environmental compliance consulting firm which represent the above named facility for all its environmental affairs. This letter is in response to a letter Mid-America Steel Drum Co., Inc. received from you on May 18, 2000 and dated May 15, 2000 requesting information pursuant to the Clean Air Act to determine if the facility has any regulated substances present in a quantity at or above the threshold levels requiring it to prepare and implement a Risk Management Plan in accordance with 40 CFR Part 68.

In response to your inquiry this is to inform you that we have reviewed the list of substances regulated under this standard and have determined that Mid-America Steel Drum Co., Inc. does not have any of the substances present at or above the threshold levels and, therefore, the regulations at 40 CFR Part 68 do not apply to this facility.

If further information is requested or discussion desired please feel free to contact me at the address shown at the top of this letter or by (262) 792-1150 at your convenience. Thank you.

Very truly yours,  
**JANARD, INC.**
